HM 4.4-01-01-11 V02 Rückfragen Validierung 17664.docx

Questionnaire for validation projects according to ISO 17664

Dear Sir or Madam,

Thank you for your interest in a validation of your cleaning, disinfection or sterilization processes according to ISO 17664.

In order to offer a custom-fit validation service we require a sample of your medical device at our site. For a first estimate you can assist us by answering the questions listed below as far as applicable.

If you require assistance answering the questionnaire we will gladly support you!

Your validation team
